

Kusatsu Elementary School Song

草津小学校校歌

Sunshine through morning fog on the schoolground,

朝霧の 晴れゆく校庭に

We learn and grow, we learn and grow

伸びてゆく 伸びてゆく

Looking towards tomorrow, looking towards the sky we grow strong like the fresh sprouts of a
pine tree

明日への生命 から松の若芽のように

天を指し 強く育とう

At the foot of Mt. Shirane sits our school, bright and open

白根の麓 明るい母校

Aah, Kusatsu, Kusatsu Elementary School

ああ 草津 草津小学校

Our school clear and serene against the sky of the mountain fields

高原の 空澄む学窓に

We talk and share, we talk and share

語り合う 語り合う

A bright hope; grows thick and thrives like the fresh leaves of the Shirakaba

大きな希望 白樺の若葉のように

地を覆い 清く茂ろう

One the bank of a hot spring, our school, bright and fun

いで湯のほとり 楽しい母校

Aah, Kusatsu, Kusatsu Elementary School

ああ 草津 草津小学校
